Worship Ministry

On Sunday, January 5, Christ the Servant Lutheran in Corydon and First Lutheran in Chariton welcomed Pastor Richard “Dick” Hutton as their new part-time pastor. Pastor Dick will be serving Chariton and Corydon Sunday through Wednesday each week. He enjoys visiting and spending time with people. Before Sunday worship, you will find him walking the sanctuary aisles saying hello and listening to our stories and getting to know us. With excitement and wonder he looks forward to our faith journey together. He truly believes that the Lord has called us together and that it is always amazing how the gracious Lord leads his church and draws people together.

Pastoral Ponderings

Dear Friends in Christ,

Jesus says in John 15, *“No one has greater love than this, to lay down one's life for one's friends. I do not call you servants any longer, because the servant does not know what the master is doing; but I have called you friends, because I have made known to you everything that I have heard from my Father. And I appointed you to go and bear fruit, fruit that will last, so that the Father will give you whatever you ask him in my name.”*

In baptism, Jesus includes us as a part of his family. A family that enjoys walking together, sharing life's adventures together, carrying each other's burdens, and is willing to listen to each other. It is a fantastic honor to acknowledge each of you as friends, just as you call one another friends. And, I'm amazed what friends can accomplish as they work together.

A number of years ago, I was deer hunting with my friend John when he shot a deer just before sunset. We tracked that deer through the cedar swamp, around tree falls, and out into a tall grassy area. Once we found the deer, we talked about how to get it back to the car. But, not knowing exactly where the car was, we pulled out our compasses - knowing that the car was north of where we were at that moment. It was as black as the ace of spades now and there was no moon light. With compass in one hand we began to pull the deer, stepping around downed trees, and then pulling some more. We didn't always know what direction we were headed, so we would look at our compass once again, then pull some more. For almost an hour we pulled and checked our heading, pulled and checked our heading. When we finally came to the road, amazingly there directly in front of us was the car. Together, we were able to accomplish what would have been extremely difficult for either of us alone. Friends working together can accomplish great things and have awesome stories to tell their friends. As Christ offers to bear our burdens and walk an extra mile with us, we find joy, as well, in walking with one-another, sharing the joys of our journey.

As a congregation of God's people, we are bound together in sharing the wonderful privilege of helping each other. Christ does not call us “servants any longer” but “friends.” In revealing the love of Almighty God to us, Jesus invites us to love one-another as he has loved us. As John in his first epistle wrote: *“God's love was revealed among us in this way: God sent his only Son into the world so that we might live through him. In this is love, not that we loved God but that he loved us and sent his Son to be the atoning sacrifice for our sins. Beloved, since God loved us so much, we also ought to love one another. No one has ever seen God; if we love one another, God lives in us, and his love is perfected in us.”* (1 John 4:9-12)

I truly believe that one of the greatest blessings of life is to walk with each other as friends, to share life together.

Blessings!

Pastor Dick
